Dear Fellow Curler,

The Pittsburgh Curling Club is an arena ice curling club which began in 2002. In the past six years we've grown from a fledgling group of 13 to over 110 members. We currently run 3 draws on Saturday nights (the only available ice) and even started a *very* late night Mixed Doubles League this year. Demand for the sport is great and we're limited only by ice time. So what's the solution? **Our own facility!**

Our goal is to construct a dedicated, world class, curling facility in the greater Pittsburgh area - located between the curling centers of the Northeast and the Midwest.

We know from discussion with members of newly-built clubs that this will require a lot of work and dedication. *Our members are up to the task!* We've worked very hard over the years to provide the best arena curling possible to our club members. We have hosted instructor certification courses, introduced literally THOUSANDS of Pittsburghers to the sport, have established a Junior Merit Program and this year developed an Outreach program. We are constantly promoting the sport of curling through Pittsburgh area media outlets, and by participation in booths at local events. Our club members have participated in a growing number of bonspiels throughout the East. If you have been to, or heard of our annual Tropicurl Island Bonspiel, you will know how dedicated and committed the curlers in our club are!

We need your help! Please take a moment to consider a donation to our Building Fund to help make our dream a reality and to further the sport of curling in Western Pennsylvania. We are a 501(c)(3) non-profit organization so your donation is tax deductible. Simply complete and detach the sheet below and forward it along with your donation in the enclosed return envelope. A receipt will be returned to you with our thanks.

For more information regarding this project, feel free to contact anyone on our building committee.
